At Ferrellgas, we realize the tremendous responsibility we have to our valued Customers and to all the members of the communities we serve. That is why we make safety a part of everything we do. Before ever delivering propane to you, our Employees begin the safety process through extensive classroom and

hands-on training. When you become a Ferrellgas Customer, our technicians will complete the pre-fill tank inspection and a safety and operational check of your outside propane system to ensure that your propane system is functioning as it should. At your request, we can also provide propane safety training for you, either in your home or at your business. Our propane professionals can teach you and your employees to safely handle propane using many of the same materials we have used to help train hundreds of fire departments across the United States.

THE FERRELLGAS SERVICE GUARANTEE

Not all propane companies deliver what they promise. At Ferrellgas, we do. When it comes to your business, dependability from your propane dealer is crucial. Every day, Ferrellgas is trusted by thousands of big and small businesses across the country to deliver the propane that keeps employees warm, trucks and forklifts running, and customers happy. From our 24/7/365 emergency service to our worry-free Keep Full delivery program to our wide variety of payment options, Ferrellgas has what it takes to deliver the attention and service you deserve.

REST EASY WITH FERRELLGAS' NATIONWIDE SUPPLY NETWORK

When you do business with Ferrellgas, you can count on us to have the propane you need when you need it. That is because an entire division of our company is dedicated to purchasing propane from every pipeline terminal and every major refinery in the United States and delivering it to the hundreds of strategically located Ferrellgas supply tanks across the country. It is a big job, and nobody does it better than Ferrellgas. We also have a fleet of propane railcars and 18-wheel delivery vehicles that can quickly be shifted from one part of the country to another to help us meet the critical propane supply needs of our customers. That is the power of Ferrellgas.

FERRELLGAS: A PROUD HISTORY

Ferrellgas has grown through the years from a family-owned propane company in Atchison, Kansas, to a publicly traded, FORTUNE 1000 company that today services approximately 1 million Customers in all 50 states, the District of Columbia, and Puerto Rico. Operating under the trade name Blue Rhino, we are also the nation's largest provider of propane by portable tank exchange. In 2014, we celebrate our 75th year in business. It is an accomplishment achieved by only a handful of businesses, and we are humbled by the faith our many Customers continue to place in us.
